The assignee has recently discovered that the maintenance fee paid on September 29, 2010 for the above application was inadvertently paid at the small entity rate, whereas it should have been paid at the large entity rate. The Office is hereby requested to charge the additional sum due to the assignee's Deposit Account No. 501162. It is unclear to the patentee whether in these circumstances the fee for late payment is also due; if so, the Office is hereby requested to charge this fee to the assignee's Deposit Account as well.

Respectfully submitted,

David J. Cole
